Training Seminar 2006

This year the Building Code Compliance Office in cooperation with the Miami Dade College is pleased to present an American Society of Civil Engineers (ASCE) 7-02 seminar. Each attendee will be issued a complimentary copy of the ASCE Standard "Minimum Design Loads for Buildings and Other Structures."

This highly technical seminar is designed specifically for Board of Rules and Appeals certified "Structural Plans Examiners".

The course provides 7.5 contact hours (.75 CEU's) approved by the State of Florida Board of Engineers. Additionally, eight (8) hours of continuing education credit will be awarded to all Board of Rules and Appeals certified attendees.

It is important to pre-register for this training course; class size is limited to the first sixty (60) qualified attendees who enroll.

Location: Miami-Dade College
Kendall Campus
11011 SW 104 Street
Miami, FL 33176-3393

Date of Seminar: **Saturday, August 19, 2006**
From 8:00 AM to 5:00 PM

Registration Form

Please completely fill out and fax this form back to this Office to the attention of Mr. Michael L. Goolsby at (305) 375-2908, **Before August 4, 2006.**
